

Founded in 2024, Red Tent Fund is a national nonprofit abortion fund rooted in the Jewish values and teachings that affirm the right to abortion for all. We help fund individuals seeking lawful abortions across the United States, regardless of the abortion-seeker's religion, political affiliation, income, or gestational age.

Support Our Mission

1 in 4 women in the United States will need abortion care in their lifetime. Since the Supreme Court overturned Roe V. Wade, the demand for abortion funding has grown by nearly 40%.

Without abortion funding, more than 100,000 women per year would be unable to access essential healthcare that would allow them to maintain autonomy over their lives, bodies, and futures.

The Red Tent Fund is on track to fund more than \$500,000 in abortion procedures in 2025, which we anticipate will serve 1,250 abortion seekers.
